Be it enacted by the legislature of the county of Rockland, New York, as follows:

#### Section 1.

Section 5 of the Rockland County Code, entitled Administrative Code, is hereby amended as follows:

§ 5-7. County Legislature; districts; qualifications of members.

- B. The County of Rockland shall be divided into 17 districts of similar size, to be known as "legislative districts," with new district lines to take effect January 1, 2012 ~~2024~~, from each of which shall be elected one member of the county legislature as herein after set forth. Each such person while holding office shall be known as a County Legislator.
- C. Legislative districts; maps
  - 1. The County of Rockland shall be divided into 17 legislative districts, with new district lines to take effect January 1, 2012 ~~2024~~, said districts to be drawn and bounded by the Rockland County Legislature upon approval of this law and filed with the Clerk to the Legislature bounded and described as follows: (See Schedule A, Maps and ~~Written Description(s)~~ **Census Block Descriptions** annexed hereto and made a part hereof).
- E. After each federal decennial census, beginning with that of 2020 ~~2030~~ the Clerk to the County Legislature shall determine the results of said census, publicly announce such results and file the same with the county legislature. The county legislature shall thereupon reconsider its representation and, if necessary, reconstitute and reapportion its membership. Any amendment to this code reapportioning representation on the county legislature shall be subject to a permissive referendum on petition to the extent required by the New York State law and in the manner provided for by the terms and provisions of section 34 of the Municipal Home Rule Law.

## Section 2.

Chapter 101 of the Rockland County Code, entitled County Legislature, is hereby amended as follows:

### ARTICLE II. Apportionment (§ 101-4 — § 101-9)

#### § 101-6. Legislative districts.

(See Schedule A, Maps and ~~Written Description(s)~~ **Census Block Descriptions**, with new district lines to take effect January 1, 2012 **2024**, annexed hereto and made a part hereof.)

#### § 101-7. Composition of County Legislature; residency requirements.

- C. Neither the boundaries nor the territory encompassed by these legislative districts may be varied prior to the first day of January 2012 **2024**, except as herein after set forth.

## Section 3. Savings Clause

If the legislative districts created as a result of this redistricting plan do not carry out the purposes thereof because of: 1) unintentional omission; 2) duplications; 3) overlapping areas; 4) erroneous nomenclature; 5) lack of adequate maps or descriptions of political subdivisions, or other divisions thereof, or of their boundary lines; 6) street closings, changes in names of streets, or other changes of public places; 7) alteration of the boundary or courses of waters or waterways, filling in or lands under water, accretion or other changes in shorelines; 8) alteration of courses, rights of way, or lines of public utilities or other conditions; or 9) an inaccuracy in the United States Census Bureau Topologically Integrated Geographic Encoding and Referencing system (TIGER geography files) or demographic data, then the Rockland County Legislature, at the request of any person aggrieved thereby, any candidate affected thereby, or by their own initiative, is hereby authorized by resolution to correct such technical defects in the description of the legislative districts so as to accomplish the purposes and objectives of this adopted redistricting plan.

- A. In making such technical corrections, the Legislature, in addition to achieving equality in the population of legislative districts and ~~insuring~~ **ensuring** that all areas of the county are completely and accurately encompassed in such districts, shall be guided by the following standards:
  - (1) Gaps in the description of any legislative district shall be completed in a manner that results in a total description of that district consonant with the description of adjacent districts and in complete contiguity of districts.
  - (2) Areas of the county included within the descriptions of more than one legislative district shall be allocated to the district having the lowest population.
  - (3) Areas of the county not included within the descriptions of any legislative district shall be allocated to the adjacent district having the lowest population.
  - (4) In the event that the area subject to corrected description or allocation as provided in paragraph one, two or three of this subdivision is of such size or contains such population that its inclusion as a unit in any legislative district would result in substantial disparity in the size, shape or population of such district, then the Legislature may allocate portions of such area to two or more districts.

- (5) In making adjustments to the boundary line of a legislative district in the event of an inaccuracy in the TIGER files, the Legislature shall, whenever possible, implement the apparent geographical intent of the United States Census Bureau.
- (6) In any allocation of area or correction of descriptions made pursuant to this section, the Legislature shall, consistent with the foregoing standards, preserve the contiguity and compactness of legislature districts and avoid the unnecessary division of political subdivisions.

**Section 4. Severability**

If any clause, sentence, paragraph, subdivision, section or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, effect or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this law or in its application to the person, individual, corporation, firm, partnership, entity or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

**Section 5. Effective date.**

This local shall become effective immediately upon filing in the office of the Secretary of State pursuant to section 27 of the Municipal Home Rule Law.

### NOTE

#### \* ADJUSTED POPULATION \*

As per NYS law, all counties and municipalities are required to utilize population counts that have been adjusted for incarcerated individuals within the state and federal prison system. These numbers reflect the last known home address for those individuals rather than their prison address for the purpose of legislative redistricting. The adjusted population figures are published by the state and were used in the redistricting plans for the Rockland County Legislature.
